## About the Department

The Department of Commerce (SF-I) was established as a postgraduate centre for learning in 2007. It was upgraded to the undergraduate level in 2010 and further elevated to the Pre-Doctoral level in 2012. The department has a vibrant and committed faculty dedicated to deliver quality education to the student community. To enhance academic excellence and holistic development, students are provided with exposure through industrial visits, summer internship programmes and executive skill development programmes. The department takes pride in nurturing dynamic, innovative and enterprising students who are well-prepared to serve society at large.
