Target Group - Faculty Member of Higher Education | Selection - First Come First Serve Basis

The resource person started the first day session emphasizing the need, importance and scope of Information and Communication Technology (ICT) enabled teaching in today's scenario. He gave an orientation on ICT based Teaching Learning and Evaluation (TLE), Learning Management Systems. He highlighted that teachers should be familiar with ICT enabled TLE platforms which in turn would redesign higher education. He also informed on the MHRD and UGC initiatives in facilitating online TLE. A live demonstration on creating classes, assignments and online tests, uploading materials and evaluation management using EDMODO was given by the resource person. An assignment was given to the participants on the same and the participants are asked to submit it in Google Classroom. An online quiz link was shared in the chat box for the participants of the FDP. Doubts were clarified in a systematic manner. Dr. A. Anami Augustus Arul, Assistant Professor of Botany moderated the questions of the fellow participants. Dr. H. Jimsy Asha proposed the vote of thanks.

On the second day of the FDP, Dr. A. Anami Augustus Arul welcomed the host and the participants followed by the instructions. Mr. Vimal Jerald made a demo on the Socrative tool, creation of teacher account, test, quiz and evaluation. He further explained the applications of Classroom Screen and to create GIF animation using EZGif. An assignment was given on the same. Dr. A. Anami Augustus Arul thanked the resource person and moderated the queries. Dr. H. Jimsy Asha made a reminder on the assignments in Google Classroom, quiz links and attendance. On the third day of the FDP, Dr. S. Sujitha, Assistant Professor of Mathematics

welcomed the gathering. The resource person began the session by introducing SLIDO and thereby got the feedback of the previous sessions. He clearly explained the creation of personal profile using Google Sites. Then he made a demo on designing posters, invitations

and brochures using the tool Canva. Dr. S. Sujitha thanked the resource person and moderated the queries.

On the fourth day, Dr. S. Ajith Sinthuja, Assistant Professor of Chemistry welcomed the gathering. Mr.Vimal Jerald made a demo on designing certificates and videos using Canva. Then he explained on the different types of E-content and demonstrated the text based E-content using MS-Word and interactive PPT E-content. Ms. J. Alisha Josephine, Assistant Professor of English moderated the questions raised by the fellow participants. Dr. H. Jimsy Asha thanked the gathering followed by the reminders.

On the fifth day of the webinar, Dr. Sr. S. Sahaya Selvi welcomed the gathering. Mr.Vimal Jerald made a live demo on creating videos using Renderforest and Screencast-O-Matic tools. He also demonstrated screen capturing with mobile phones using V-recorder. Dr. Sr. S. Sahaya Selvi moderated the queries and thanked the gathering.

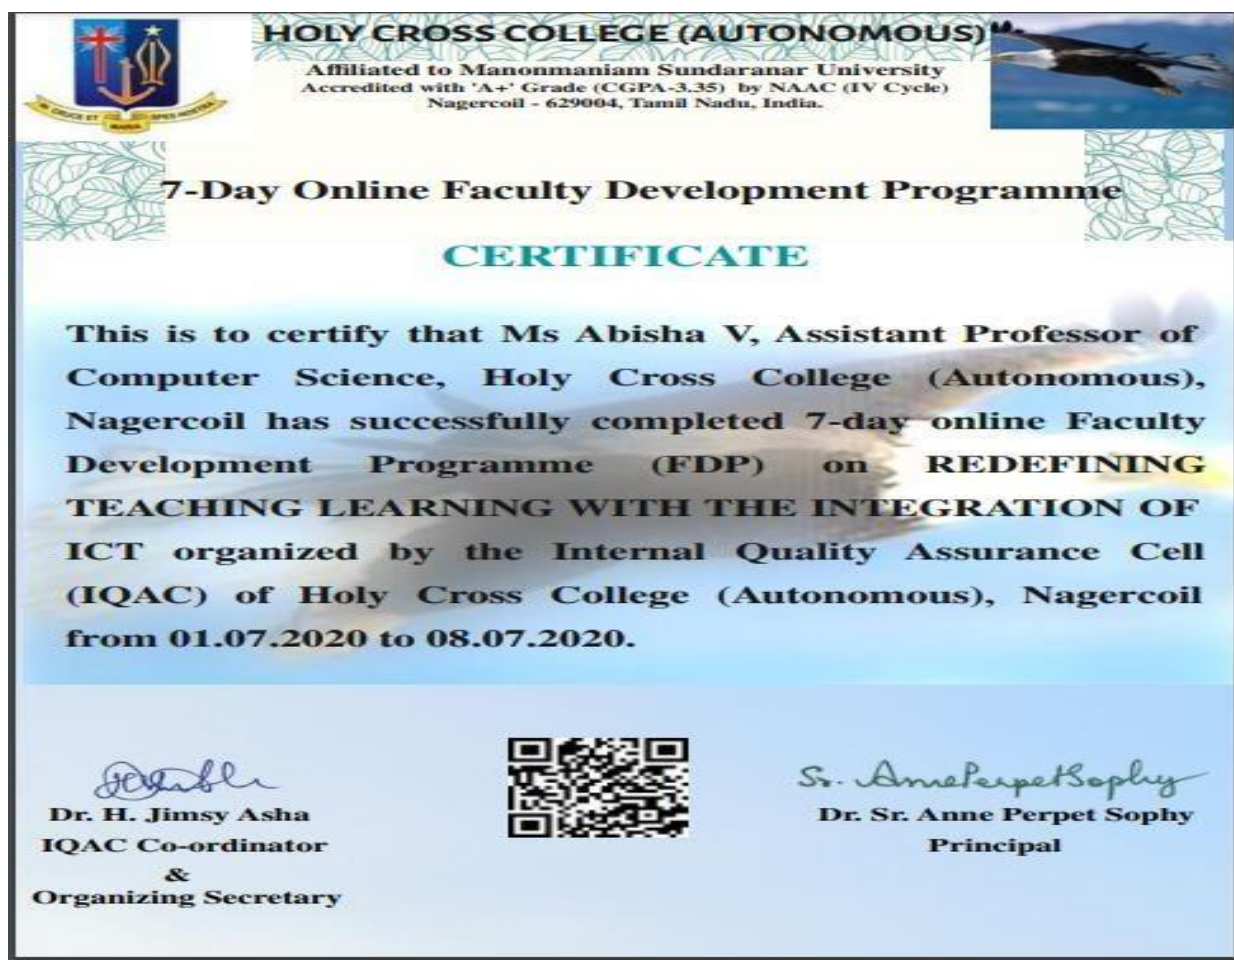

On the sixth day, Dr. S. Sujitha welcomed the gathering. Mr. Vimal Jerald demonstrated video editing using Camtasia and uploading in the You Tube. Dr. Sujitha thanked the resource person and moderated the queries.

On the last day, the programme began with the prayer song. Dr. A. Anami Augustus Arul, Assistant IQAC Co-ordinator welcomed the gathering. The resource person

Mr. Vimal Jerald presented the class on the topic 'Moodle'. He thanked the IQAC team, participants and the management of Holy Cross College, Nagercoil for the successful conduct of the seven days FDP. In the Valedictory session, the participants expressed their words of appreciation, fulfillment and gave positive feedback. Dr. H. Jimsy Asha, IQAC Co-ordinator and Organising Secretary of the FDP proposed vote of thanks.

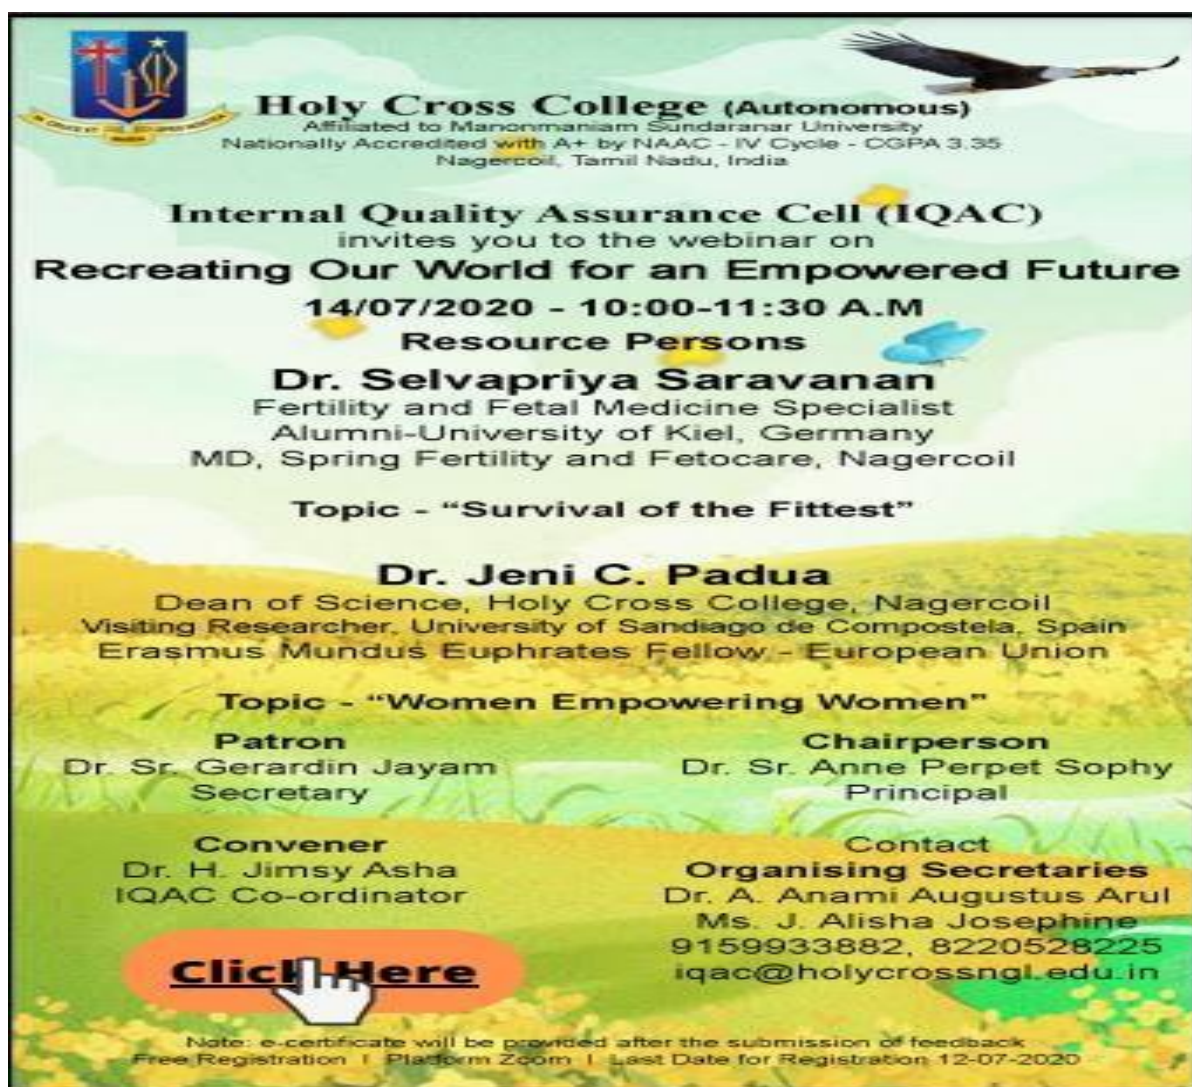

Each day, there were quiz, assignments to be submitted in Google Classroom using the online tools demonstrated on the particular day and they were evaluated by a group of members of the IQAC. Feedback link was sent to the participants to give their opinion on each session. The participants interacted with the resource person on sharing their works and clarified doubts through a separate WhatsApp group. Attendance was checked on each day by a team of IQAC. Dr. S. Vimal Dolli, Assistant Professor of Economics and Ms.V. Abisha, Assistant Professor of Computer Science provided the technical assistance. The webinar was successfully conducted on a ZOOM platform. More than 300 participants from inside and outside the state and country actively participated in the programme.

The first session of the webinar was on "Survival of the Fittest " which started at 10.15 am. Dr.Selvapriya Saravanan, Fertility and Fetal Medicine Specialist briefed on the low and high risk of COVID-19.She also insisted to be kind to address stigma during coronavirus, show solidarity with the affected people , spread facts not fear and take each one of us .She provided best knowledge regarding risk of infection and the ways to increase immunity.

Following this speech, the participants also asked the questions & queries on prevention of coronavirus. Thus, the session became very interactive, useful and informative.

NO RISK	BRIEFLY WALKING BY A PERSON WHO TESTED POSITIVE FOR COVID-19 AND WAS NOT EXPERIENCING SYMPTOMS.
LOW RISK	BEING IN THE SAME ROOM AS A PERSON WHO TESTED POSITIVE FOR COVID-19, HAD SYMPTOMS AND YOU WERE WITHIN SIX FEET.
MEDIUM RISK	SUSTAINED CLOSE CONTACT (10 MINUTES OR LONGER) WITHIN SIX FEET OF A PERSON WITH COVID-19 WHILE THEY HAD SYMPTOMS.
HIGH RISK	CLOSE HOUSEHOLD CONTACT WITH A PERSON WHO TESTED POSITIVE FOR COVID-19.

In the Second session that began at 11:10am, the resource person Dr. Jeni .C. Padua, Dean of Science provided a splendid insight on the topic “Women Empowering Women”. She gave a magnificent speech on emotional empowerment of women. She highlighted on empowering oneself to handle emotions and appreciate others to build relationships. She enlightened the participants with her wonderful talk and insisted to spread positive vibrations.

ARE WE EMPOWERED TO HANDLE OUR EMOTIONS

Friend rang up
Her Daughter- brought a dog .. She said no - dint listen
She gave the dog to the security
Girl angry- took all her sarees Poured harpic all over
Left the house..

Why did the girl do this ?
She has not felt the love of the mother...
We say we love them..do we express our love for others ?

Child- Do you love me ?How much?
Adult – The same doubt ..

Boy loves girl (Nail)
SAY IT IN WORDS.. Goes to Brain..
give signals for hormones to secrete

The session ended with the intellectual interaction. In the end, Dr. Anami Augustus ended the webinar with warm thanks. In her thanks giving speech she specially thanked the management, IQAC Coordinator and the team. Similarly she also thanked all the members who actively participated in the webinar.

“Student Induction Programme”
2020-2021

Programme Schedule

Day 1: 19-08-2020

Campus Facilities 	Mentoring Google Classroom 	Intro 
---	--	---

Day 2 : 20-08-2020

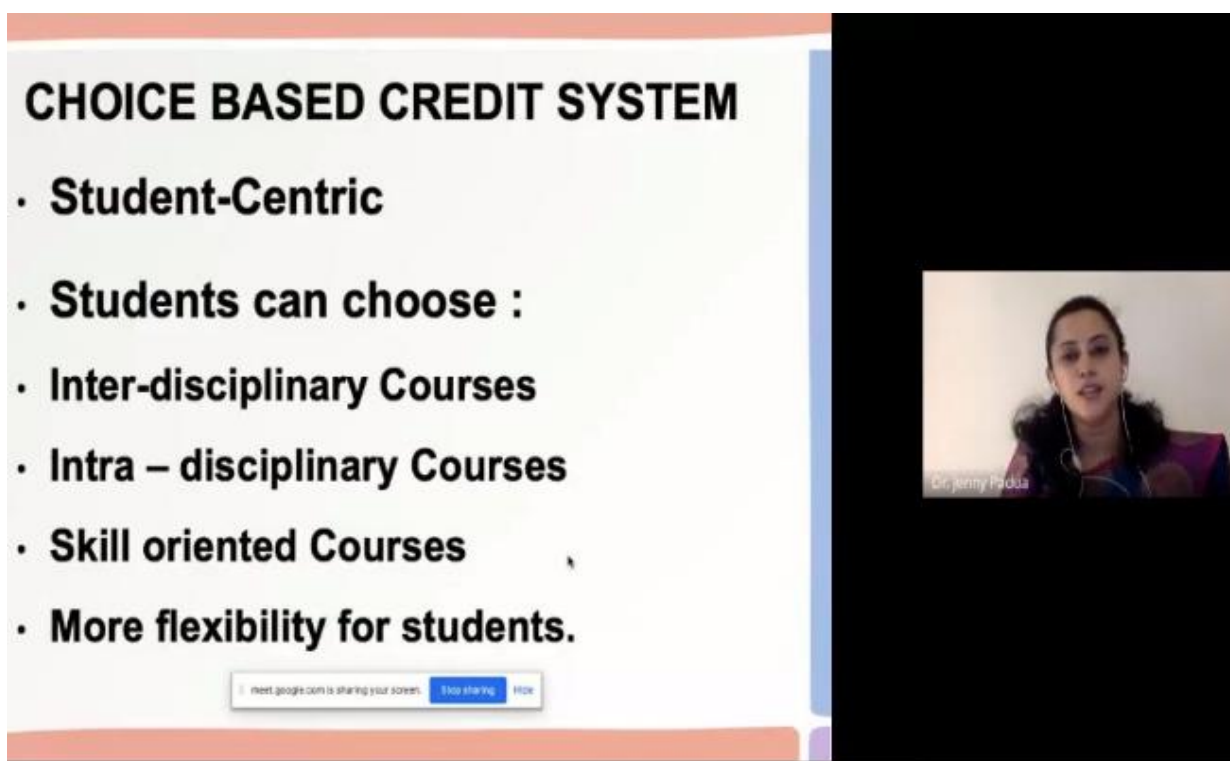

Talks Creative Art 	Zumba Dance 	
--	---	---

Day 3 : 21-08-2020

Yoga Feedback 	Talent Hunt 	
---	---	---

Student Induction Programme was organized by Internal Quality Assurance Cell of our College from 19-08-2020 to 21-08-2020 for the first year UG students. The induction programme was brought in with a view to uplift the level of the entrants to an elevated stage, promote all-round development and exposing learners' stigmas to minimize and to maximize their learning. As the learners come with diverse thoughts, backgrounds and perceptions, it becomes important to help them adjust and feel comfortable to the new environment, inculcate the ethos of the institution, help them build bonds with other students and faculty members, expose them to a sense of larger purpose and self-exploration. The sessions were designed to improve students' awareness and motivate them for the branch they have chosen. All the sessions motivated students to start thinking towards the path they need to adopt for the coming years to achieve their goals. To mark the beginning of the academic year and Induction Programme, on 19-08-2020, the programme began with invoking presence of god through a

prayer by Dr.Benit , Assistant Professor of Botany and it was followed by the College Anthem. Dr.Sr.Leema Rose , Vice Principal of our college welcomed the parents and the students. Dr.M.Anitha Malbi , Assistant Professor of Chemistry and Coordinator of Parents Teachers Association read the report. Dr. Sr. Gerardin Jeyam , Secretary of our college gave the felicitation address and emphasized the importance of core values. Having given the warm welcome to the students, she appealed the students to utilize maximum resources at the most of their capacity for academic enhancement .Dr. Sr. Anne Perpet Sophy , Principal of our college gave the general instructions which must be followed by the students. Ms.Anishya Dani , Assistant Professor of English and Dean of students highlighted the history of the college and Dr.Sujitha , Assistant Professor of Mathematics took the freshers on virtual campus tour to familiarise them and to make them aware of different location in the campus.

Dr. Jenny Padua

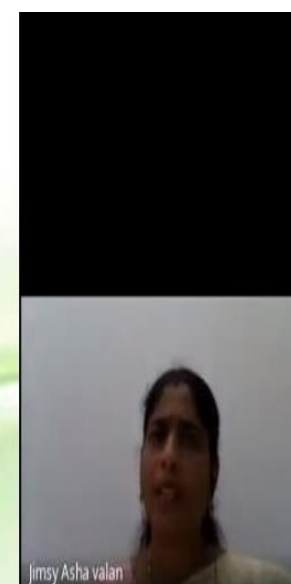

The deans of arts and science Dr.Jeny Padua, Dr. Virgin Nithya Veena and Dr. C.K.Sunitha introduced the curriculam and academic guidelines. The instructions regarding internal and external examinations were outlined by Dr.Vinoliya Josephine Mary, the Controller of Examinations. Information regarding transportation facilities were also informed. Student Induction Programme was inaugurated by Dr.Jimsy Asha, IQAC Coordinator. Dr.Nirmala Louis, Dean of students proposed the vote of thanks. In the afternoon session, orientation was given by the HODs, class incharges and mentors in their respective departments as the student should feel free to approach his faculty mentor, when facing any kind of problem, whether academic or financial or psychological etc. An introduction on Google classroom was also given to the students.

PANDEMIC - ONLINE CLASSES

The second day of Student Induction Programme began with a prayer on 20-08-2020 at 9:30am which was followed by distinguished lecture series. The first lecture was on “Being and becoming” by Dr.Jimsy Asha , the IQAC Coordinator and the second lecture was on “Health and Hygiene” by Dr.Anami Augustus ,Assistant Professor of Botany and the third session was on “Health and Fitness by Zumba” by Dr. S.Ajith Sinthuja, Assistant Professor of Chemistry which was followed by zumba fitness dance session .

Enlarge your vision

The sessions were quite interactive that proved to provide a visualization to Personal, Academic and social life with ease and a clear picture of self, the vitality of Human Values and health in general. The afternoon session was enveloped with Creative art session from 2:30-3:30 pm that included Paper art, Clay art, Bottle art and wall décor. The students enjoyed doing craft works that enriched their creativity. As an integral part of Induction programme the third day began with prayer followed by the distinguished lecture series on “Importance of Yoga” that was followed by yoga practical and feedback sessions. In the afternoon, SWOC Analysis was done by the class incharges and also mentoring was done by the mentors on Environmental consciousness and human values. Towards the end of the programme, talent hunt was done from 3:00pm to 4:00pm where in many of the students brought out their hidden talents. It was followed by feedback and valedictory session. With the cooperation of the students and the faculty members the Induction programme was able to record the feedbacks of the students in Expert talks, Village Visit and Industry Visit. The total involvement of deputed Faculties actively engrossed in various responsibilities of induction programme. That facilitated to motivate the entrants to stir like a sugar in water of institutional activities. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations. As an outcome of the programme, freshers were able to display confidence and successful transition into a new academic environment. They were able to establish positive acquaintance with the institution and were able to attach moral values and behaviours with the practices of the institutional activities. They were able to project exemplary performance in activities designed during induction programme.
